Covid-19 Edition

This year has been a wild one! Nearly everyone has been affected and challenged to do things differently. Lockdowns, mandates, restrictions... Covid-19 has left its mark on us all. In the meantime, the Pregnancy Resource Center has been here for those who need us. Distance learning has been possible with our monthly subscription to Brightcourse so our moms (and dads) can take courses and improve their skills as they become better parents, many earning valuable points along the way. As of mid-November, we had 4 moms taking regular lessons. Approximately 130 lessons had been viewed in approximately 36.5 online hours since April 2020. Thank you, Kylee, for your excellent dedication and service to our clients!

We have NOT been able to have any fundraisers due to Covid-19, but we continue to reach out to the community for assistance while we press forward with God's mission. We are blessed to have a number of folks in the community willing to partner with us and we are very grateful! If you are interested in partnering with us in His mission, we'd be most happy to have you. We are doing "Pies For Life" as a fundraiser for the whole month of DECEMBER, a great way for you to jump in and help us raise funds to keep this ministry moving forward. You can find the order form and details later in this newsletter. And, again, SO MANY THANKS to each and every one of you supporting the Pregnancy Resource Center! **YOU** are the ones making all of this possible and YOU are all greatly appreciated.
